## [Privacy Policy] Policy | July 27, 2022

Hello and welcome to the privacy policy (the "**Policy**") of Everset S.r.l. ("**Everset**", "**we**" or "**us**"), the Italian company that has developed and owns the web platform published on the website [www.goodiewebgroup.com](http://www.goodiewebgroup.com) (the "**Platform**").

The name of the company "Chebuoni.it Srl" was changed to "Everset Srl" with a notarial report duly registered and filed with the Bolzano Company Register. The remaining identifying data of the company, as well as the corporate purpose, the purposes and methods of processing have remained unchanged and therefore nothing has changed for the purposes of this Information.

Everset, through the Platform, helps the demand and offer of coupons, discount coupons, offers, promotions and competitions meet.

In particular, the platform allows:

- (i) to know in a simple and intuitive way, coupon, coupons, deals, promotions and contests sponsored by other companies not necessarily related to Everset;
- (ii) to stay up-to-date on the best promotions through the Platform and, by way of example but not limited to, email, sms, social networks;
- (iii) to gain direct access to sites promoting the offers published on the platform.

Through the Platform, we collect some information about you, as a user ("**you**" or the "**user**"), classified as "**Personal Information**". In a general way, Personal information is any information relating to an identifiable person who can be directly or indirectly identified in particular by reference to an identifier.

The purpose of this Privacy Policy is to provide you with all the information you need to be aware of our policy regarding the collection, disclosure and use of your Personal Information as a User and, together with the Terms of Service (the "**TOS**"), they constitute the agreement governing the relationship between you and Everset.

Everset, if you wish to activate the platform services through services offered by third parties (by way of example but not limited to: login via Facebook Connect), could be shared personal information about yourself by these third parties.

This Policy does not apply to services offered by third parties and to the way they

process information. We suggest that you carefully read the privacy policies of the respective third parties' website on how they will process your information and possibly share them with Everset.

<https://www.facebook.com/policy.php>

This Policy is provided in compliance with art. 13 to Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of individuals with regard to the processing of Personal Information and on the free movement of such data (the "**General regulations on data protection**"). In the event that you are under the age of 18 (eighteen), or are incapable of acting, this Policy is addressed to the person governed by applicable UK law, who is the only person authorized to give express consent thereto.

This Policy may be supplemented or amended in order to make it updated and/or adequate with respect to any technical changes made to the Platform and/or any changes in the purposes or methods of processing the Information.

We will notify you with specific and appropriate individual notices of any changes, but you should check this document periodically to stay up to date. Any updated version, which will bear the date on which the update was carried out, will be published promptly on the Platform and will become effective immediately after publication. Will be particularly considered in full force against you from the date of publication on the platform where you decide to unsubscribe from the platform after 7 days from notification.

## **2. Types of data processed and purpose of the processing**

### **2.1 Data and browsing activities**

The computer systems and procedures used to operate the Platform may automatically acquire, during their normal operation, certain Personal Information concerning your navigation, such as, by way of example, IP address, number of accesses, duration of navigation, browser used, pages viewed, date and time of access.

The Personal Information relating to your navigation is mainly gathered in order to obtain statistical and non-identifying information about the use of the Platform and to control its correct functioning. Personal Information relating to your navigation may also be processed, after the registration, which is necessary for the use of services accessible through the use of credentials as per art. 2.2. for:

(i) **Profiling activities, i.e. the study and analysis of your interests and requests for the purposes of defining individual and group profiles**, subject to your prior express consent, as indicated by ticking the "I expressly consent, in particular, to the processing of my Personal Information for profiling purposes, highlighted in bold in point (i) of art. 2.1 and (ii) of Article 2.2, extruded *here* for clarity". The consent to the processing of this data is optional and refusal to treatment will not result in the inability to use the services of the platform. Even in case of consent, you will still have the right to object, in whole or in part, to the processing of your Personal Information for profiling purposes, making a simple request to the Controller, without any formality.

**How can we use your Personal Information for this purpose?** We may process your Personal Information about you to better understand your interests and preferences, so that we can provide you with an experience that is consistent with those interests and preferences. For example, we may do so in order to provide you with access to content for which you have

shown the most interest, or to send you personalized offers or promotions via email (provided that you have consented to receive our communications for advertising and commercial purposes), or to offer you advertising content relating to your interests.

**On what legal basis will we be able to process your Personal Information in this way?** Provided that you have given your consent and that this is in line with your choices in this regard, it is in our legitimate interest to look at your preferences, based on the way you navigate, so that we can better customize our offer.

In order to perform these operations, the Platform currently uses:

(i) we use Google Analytics, a web analytics service provided by Google that sends cookies to your device.

### **2.1.1 Cookies**

Cookies (“**Cookies**”) are small strings of text that are stored on your device and recording some data about your browsing activities. This data, if the Cookies are not disabled, are communicated to the website or application that installed them every time you return to visit it.

#### Types of cookies:

Technical cookies : allow you to browse through the website or application and use options or services. For example, they identify the session, restrict access to web parts, remember the elements of an order, make a request to register to or participate in an event, use security features while browsing, and store content for audio or video broadcast. In other words, all those Cookies necessary to satisfy the specific request that the user made at that time and that are not used for further purposes.

Profiling cookies : allow a more effective management of the advertising space of the website or application and allow the adaptation of the advertising so that the same can be relevant to the user and prevent the user from seeing advertising already seen. Such cookies therefore carry out a real profiling of the user's behavior.

Third-party cookies : Third-party cookies are cookies, used by the operator of the website or application, but installed on the user's device by third parties other than the operator of the website or application. Third-party cookies are, for example, the statistical services of Google Analytics or the advertising service of Google AdSense.

The platform, specifically, use:

- (i) Technical cookies (which store your login credentials in order to make it easier to log in) and for which your specific consent is not required;
- (ii) Profiling cookies that keep track of the choices you have made in the navigation and use of the services of the Platform, in order to ensure a personalized and easier use of the services offered by the Platform, for which your specific consent is required and that we notify to the Data Protection Authority;
- (iii) Third-party analytic cookies:
  - (iii)(a) concretely adopted with measures that allow to eliminate the identifying power and not crossed by the third-party, for which your specific consent is not required;
  - (iii)(b) adopted without precautions that eliminate the power of identification, for which your specific consent is required.

If you would like to have more information about these cookies, and understand how to refuse or delete it, please take a look at the privacy policies below, using the addresses supplied.

**(iv) Any further purpose necessarily connected to the execution of the services of the Platform, as illustrated in the TOS .**

**How can we use your Personal Information for this purpose?** We may need to use your Personal Information if necessary to fulfill our contractual obligations to you, for example when you requested access to the Platform's services.

**On what legal basis do we treat your Personal Information in this manner?** If you have requested the performance of the Platform's services, as described in the TOS, processing of your Personal Information is necessary to fulfill our contractual obligations to you.

**(v) Any further purpose necessarily allowing us to comply with the requirements of the Personal Information Protection Act .**

**How can we use your Personal Information for this purpose?** In some cases, we may need to process your Personal Information to comply with applicable law. You may, for example, no longer want to be contacted by us. For this reason, we keep your suppression list so that we do not contact you if you have asked us not to. To this end, we may need to process certain Personal Information

**What is the legal basis that allows us to treat your personal information in this way?** It is our right to treat your personal information to comply with applicable laws. It is our right to process your Personal Information, for example, to keep the suppression list updated and not to contact you if you have asked us not to do so.

### **2.3 Personal information you willingly provide us with:**

The Personal Information that you provide to us voluntarily and freely on the basis of your autonomous impulse (for example sending e-mails to the e-mail addresses indicated on the Platform for the purpose of obtaining information), will be acquired by us and processed as Data Controller.

In particular, in addition to your e-mail address, required to reply to you, any other Personal Information will be acquired where electronic communication references or otherwise contained in the e-mail message. Such Personal Information, if different from those already in our possession and subject to explicit consent to the

processing, as per art. 2.2, will not in any way be disclosed or communicated to third parties with respect to the owner's organization, nor will they be used to define the profiles or personalities of the data subject or for direct or indirect commercial or advertising purposes and, in any case, will be kept exclusively for the purposes of keeping correspondence.

## **2.4 Geolocalization**

The possible acquisition of data on your position will be possible only with your express consent during the use of the Platform. With your prior consent, we may use this information to provide you with services and/or adverts available in your region, based on the permissions you provided and based on the settings of your device.

You may at any time turn off geolocation, both from your personal account in the platform and the settings of your device. For more information on how to disable this service on your device, we recommend that you contact the manufacturer of your device.

**How can we use your Personal Information for this purpose?** We may process Personal Information to provide you with an experience more in line with your local area. For example, we can do this to offer you access to content or promotions tailored to your region.

**On what legal basis do we treat your Personal Information in this manner ?** Provided that you have given your consent and that this is in line with your choices in this regard, it is our legitimate interest to look at your territorial area, so as to be able to better customize our offer.

## **2.5 Social Network**

We permit or will permit you to register and/or use our services through the accounts of some of the most important social networks (including, but not limited to, Facebook). By choosing to use these services to register with the Platform, or to take advantage of our social services, you authorize us to collect your Personal Information to authenticate to such social networks (e.g. your username, your access details - in encrypted form -, the image of your profile, the country you have designated as your residence, your home town, your date of birth, the images and network of your contacts, as well as all the other information that you can make available on, or through, your accounts and your activity on social networks).

The Personal Information we have access to varies depending on how you set your

privacy settings and consent on those social networks. If you decide to associate the account managed by one of the abovementioned social networks to your account on the Platform - authorizing access to your Personal Information - you authorize us to acquire,

process and possibly communicate the Personal Information on these social networks, in accordance with this Policy and for all the specific purposes thereof.

Please note that we do not and will not retain your Facebook account password. If you wish to use the social features of the Platform, we inform you that we will use your username and profile image (if you decide that you do not wish to authorize the processing of any of this Personal Information, you may change your preferences directly to your personal account on the Platform).

## **2.6 Personal Information protection**

With reference to Personal Information, the Platform provides for the use of particularly advanced encryption technologies to protect its integrity and confidentiality.

The data is saved on an architecture that allows daily backup and in case of transfer, subject to consent, the sensitive data is encrypted using algorithms AES, MD5 or SHA2.

However, note that the use of an open and public telematic system such as the Internet for the transmission of information increases the normal risks of any remote service

## **3. Categories of subjects to whom Personal Information may be communicated and extent of data disclosure**

Unless otherwise specified in relation to the individual processing purposes as specified above, the personal information collected may be disclosed to – or otherwise become aware of – treatment's executors or processors (including external), in relation to the powers and functions of each, in order to fulfill the above purposes or to ask you specific contractual and/or regulatory requirements.

Your Personal Information may also be brought to the attention of the following subjects or of the following categories of subjects, to the extent that this is necessary for the fulfillment of legal and/or contractual obligations:

(i) consultants or collaborators, internal and/or external, for the fulfillment of the regulations in force and/or for the fulfillment of contractual services in relations with

the individuals concerned (by way of example but not limited to: labour consultants, legal consultants, accountants, tax experts, auditors, etc.);

(ii) judicial or other public authorities, in compliance with the purposes specified above or with legal obligations.

Your Personal Information may then be disclosed to companies, which Everset may contact to carry out the operations necessary for the execution of the provisions received by you and the provision of services requested.

With your express consent, your Personal Information may be transmitted to our third party commercial partners for processing for commercial and advertising purposes. These third-party companies, as we shall see later, will act as independent data controllers assumes no responsibility for the content of their advertising and compliance with legislation on Personal Information processing, nominating, any controllers, should entrust the processing of your data in outsourcing. In the event of exercising the right to oblivion, we will inform our business partners and any other parties to whom the Personal Information has been communicated about your request.

### ***(iii) Right to object to the processing of your Personal Information***

You have the right to require us to discontinue the processing of your Personal

Information, even if such processing is necessary for our legitimate interests (for example, when the processing is necessary for the commercial purposes we intend to achieve), including for the data we use to send you personalized offers, product recommendations and similar communications. You also have the right to ask us to stop the processing of your Personal Information for purposes of direct advertising. However, we will only send you advertising communications if you have given us your prior express consent. If you change your mind, you can easily unsubscribe from our advertisements at any time by following the instructions included in the advertisements. If you have consented to receive offers from our business partners, they are responsible for your rights, including the right to opt-out of receiving their offers. However, you can opt out of receiving such offers from third parties at any time by logging into your account and changing your settings. If you have already agreed to receive such offers, your Personal Information will cease to be transmitted to our business partners from the day your request is processed.

***(iv) The right to have your Personal Information transmitted to another organization (also referred to as the Portability of Personal Information)***

In case of processing of your Personal Information on the basis of your consent or for the execution of a contract, you have the right to ask us to provide you with the data concerning you and held by us in a structured format, commonly used and legible, as well, where technically possible, to transmit this data directly to another organization.

***(v) Complaints***

If you believe that the applicable legislation on the protection of Personal Information has been violated, you have the right to lodge a complaint with the Local Authority for the Protection of Personal Information in the European Economic Area (" EEA ").

The local Personal Information Protection Authority will differ depending on the country you are in. In the annex to the Privacy Policy, you can find a list of the local authorities for the protection of Personal Information in the EEA countries in which we operate.

The above mentioned rights can be exercised by you at any time by sending us a simple request via e-mail.

**Physical location of Personal Information**

Your Personal Information is stored within the European Economic Area (" EEA "). Your Personal Information, specifically, is stored on OVH servers, located at the

Netherlands, Germany and France.

However, they may be transferred to, and stored in, a location outside the EEA where such countries are deemed by the European Commission to provide an adequate level of protection. Your Personal Information may also be processed by personnel operating outside the EEA who work for us or for one of our service providers. We will do everything we can reasonably do to ensure that your Personal Information is processed in a secure and consistent manner with the applicable privacy policy and laws, including, where appropriate, by adhering to European standard contractual clauses (or equivalent measures) with legal entities outside the EEA receiving the personal information.

## 9. How to contact us

If you have any questions or concerns about how we process your Personal Information, or would like to discontinue processing, or would like to request a copy of such information, please contact us by email at [privacy@goodiewebgroup.com](mailto:privacy@goodiewebgroup.com) or send a registered letter to Everset Srl, vicolo Gumer, 9, Bolzano, Italy. Please include your response address when writing to us.

## Attachment List of Personal Information Protection Authorities (EEA countries)

If you believe that the applicable legislation on the protection of personal information has been violated, you have the right to lodge a complaint with the Local Authority for the Protection of Personal Information of the European Economic Area (EEA). The local authority is different in every country. Below you can find details of the local data protection authorities of the countries of the European Economic Area.
